LEGISLATIVE COUNSEL'S DIGEST

SB 359, as amended, Romero. Records: disclosure exemptions.

Existing law, the California Public Records Act, requires each state and local agency, as defined, to make its records open to public inspection at all times during office hours, except as specifically exempted from disclosure by law. The act specifically exempts from disclosure records that are exempted or prohibited from disclosure by federal or state law and lists records subject to that exemption, specifying that the listed exemptions are not inclusive of all exemptions under the act.

This bill would revise the list of exempted records to reflect changes in existing law.

This bill would incorporate additional changes to Section 6276.24 of the Government Code, proposed by AB 1540, to be operative only if AB 1540 and this bill are enacted, both bills amend Section 6276.24 of the Government Code, and this bill is enacted after AB 1540.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 6275 of the Government Code is amended
2 to read:

3 6275. It is the intent of the Legislature to assist members of
4 the public and state and local agencies in identifying exemptions
5 to the California Public Records Act. It is the intent of the
6 Legislature that, after January 1, 1999, each addition or amendment
7 to a statute that exempts any information contained in a public
8 record from disclosure pursuant to subdivision (k) of Section 6254
9 shall be listed and described in this article pursuant to a bill
10 authorized by a standing committee of the Legislature to be
11 introduced during the first year of each session of the Legislature.
12 The statutes listed in this article may operate to exempt certain
13 records, or portions thereof, from disclosure. The statutes listed
14 and described may not be inclusive of all exemptions. The listing
15 of a statute in this article does not itself create an exemption.
